Catherine and All,

I have consolidated the concerns in this email chain:

1. Thanks for the info, Joe. Yet, fire burning index will not stop dry brush from going up in flames *as it has twice already from lit cigarettes at the Vista*. I think this is really the point.
2. Residents are asking, if this not a sanctioned tourist destination, then why is it being treated as one? And as Heather queries, why are people *not* being directed to an official destination? Does the city sanction this area as a park view zone, and if so, how can that be when there was never an environmental review or public hearing for its development?
3. Last year, and years before we have had to manage the different city depts. (LAPD, DOT, Rangers, etc.) on holidays such as this, and it looks as if we will this year too. We appreciate that we have emergency contacts. Will our contacts be available when we call them at midnight, or later, as that is also when problems arise (parties, loud music, open containers)?
4. We've seen new changes at the Vista (planting, stanchions, etc.), perhaps good ones, and are wondering if there other changes planned, and if so, will we be notified prior? The Vista was formerly balded under our noses under the guise of beauty. Now it is our beast. Forgive us our edge/distrust, but city changes for this particular area rarely involve the citizens paying for them. This is disturbing.
5. Will C4 please give us a date they will have an official response to RAP's most recent strategic proposal to take pressure off the Vista, Dirt Mulholland and Beachwood, and move traffic to a view zone with supportive infrastructure? My earlier email regarding this was not answered.

Catherine, I know you answer to higher powers, but I trust you will present our concerns. Thanks for C4's support and financial outlay. It is appreciated and we are grateful for the additional help.

Our dream is for a happy holiday, and more to come.

Sincerely,

Rio

 Subject: Re: DOT PARKING/ ENFORCEMENT ON Christmas Eve and Day HOLLYWOOD Sign

All,
 I would like to make a very simple suggestion.

When the inevitable hordes of cars come up LedgeWood Drive and try to stop at "dirt Mulholland" (the tiny, 6-house dead end street that is right under the Hollywood sign), can the officers PLEASE redirect the traffic to the Griffith Park Observatory? Invariably, I see the officers push the cars along to the vista, which is a chronic disaster. The cars do not belong there, either.

Our neighborhood is NOT a sanctioned viewing site for the sign. It is NOT an official entrance to Griffith Park. We all know that our tiny, winding, substandard streets were NEVER intended for this unprecedented traffic.

The ONLY official, sanctioned viewing sites for the sign are the Griffith Park Observatory, and Hollywood & Highland. Please see for yourself:

The Hollywood Chamber of Commerce also refers people to the Hollywoodsign.org website:
